

NXT-ID to Present at the 11th Annual LD Micro Main Event

November 28, 2018

SEBASTIAN, Florida, November 28, 2018 /PRNewswire/ --

Nxt-ID, Inc. (NASDAQ: NXTD) ("Nxt-ID" or the "Company"), a provider of healthcare devices and services as well as payment credential management and authentication platform services, today announced that it will be presenting at the 11th annual LD Micro Main Event on Wednesday, December 5 at 1:00 PM PST. Nxt-ID CEO Gino Pereira will be presenting and meeting with interested potential investors. Also presenting and conducting meetings about PartX, Inc., the planned spin-off of Nxt-ID's Payments Division, will be Michael Orlando, COO of Nxt-ID and president of Fit Pay, Inc. The PartX presentation will take place Thursday, December 6 at 11:00 AM PST.

"The LD Micro event provides us with a unique opportunity to interact with interested investors. It has been a very productive event for us in the past," said Pereira. "We're very excited to be presenting for both Nxt-ID and its LogicMark healthcare business, as well as PartX, our proposed spin-off of our Payments Division. We look forward to generating investor interest in both companies."

"Internally, our entire year leads up to the Main Event. It has become the 'one thing' everyone in the small and micro-cap world knows us for. Also, free mints," stated Chris Lahiji, while enjoying a mint. "Even though LD has emerged as one of the largest and most influential organizations in the space, our focus has never deviated from showcasing some of the most interesting businesses in the world to our ever-growing community."

The LD Micro Main Event will take place December 4th, 5th, and 6th, in Los Angeles at the Luxe Sunset Bel Air Hotel, will feature 250 companies, and will be attended by over 1,200 individuals.

Forward-Looking Statements for Nxt-ID: This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements reflect management's current expectations, as of the date of this press release, and involve certain risks and uncertainties. Forward-looking statements include statements herein with respect to the successful execution of the Company's business strategy. The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of various factors. Such risks and uncertainties include, among other things, our ability to establish and maintain the proprietary nature of our technology through the patent process, as well as our ability to possibly license from others patents and patent applications necessary to develop products; the availability of financing; the Company's ability to implement its long range business plan for various applications of its technology; the Company's ability to enter into agreements with any necessary marketing and/or distribution partners; the impact of competition, the obtaining and maintenance of any necessary regulatory clearances applicable to applications of the Company's technology; and management of growth and other risks and uncertainties that may be detailed from time to time in the Company's reports filed with the Securities and Exchange Commission.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space.

What started out as a newsletter highlighting unique companies has transformed into several influential events annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and micro-cap universe.
