

NXT-ID Announces Pre-Payment for First Production Run of WorldVentures DreamTrips SmartCards

June 15, 2016

MELBOURNE, Florida, June 15, 2016 /PRNewswire/ --

NXT-ID, Inc. (NASDAQ Capital Market:NXTD) ("NXT-ID" or the "Company"), a company focused on the growing mobile commerce market, announces it has received a \$1.2 M dollar payment from WorldVentures as part of a total of \$2.5 million for the first production run of the DreamTrips SmartCards to be delivered at the end of July.

The DreamTrips™ card created exclusively for WorldVentures ("WVH"), a privately held leading direct seller of vacation and entertainment club memberships, is intended to make travel, vacationing and daily purchases for its membership simpler and more secure. As initially announced on January 4, 2016, the DreamTrips™ card is part of a broader alliance between the two companies. Effective December 31, 2015, WorldVentures entered into a Master Product Development Agreement with the Company, the terms of which have been previously disclosed. Among other things, the development agreement provides initial term of two (2) years. Pursuant to the Development Agreement, WVH has retained the Company to design, develop and manufacture a series of Proprietary Products (as defined in the Development Agreement) for distribution through WVHs its network of sales representatives, members, consumers, employees, contractors or affiliates. The Proprietary Products will utilize the Company's existing Background Technology (as defined in the Development Agreement) and customized hardware designs/solutions and software tools/applications developed by the Company for WVH.

WorldVentures announced the features of the new DreamTrips SmartCards in a press release on May 31 to its members stating:

"The SmartCard, customized exclusively by NXT-ID for WorldVentures DreamTrips Members, currently numbered at over 500,000 worldwide and growing, is intended to allow Members to:

- Load up to 10 records (credit cards, loyalty cards, identity cards, and other data); additional records may be stored on WorldVentures's DreamTrips mobile app and interchanged with the records on the SmartCard at the election of a Member
- Use as a payment method in the same way as a credit card, where accepted
- Earn points at select restaurants worldwide that can be used towards DreamTrips vacations
- Engage and interact socially with other DreamTrips Members worldwide through its communication features."

About NXT- ID Inc. - Mobile Security for a Mobile World

NXT-ID is an emerging growth technology company that is focused on products, solutions, and services for security on mobile devices. Our core technologies consist of those that support digital payments, biometric identification, encryption, sensors, and miniaturization. We have three distinct lines of business that we are currently pursuing: mobile commerce, primarily through the application of secure digital payment technologies; biometric access control applications, and Department of Defense contracting. Our initial efforts have primarily focused on the development of our secure products for the growing m-commerce market, most immediately, a secure mobile electronic smart wallet, the Wocket®. The Wocket® is a smart wallet, designed to protect your identity. <http://nxt-id.com/>, <http://wocketwallet.com/>
